## SHOWCASE 2021

Hello and welcome to our annual showcase for 2021. What an exciting time we have had creating our “Leaping Off the Pages” production this year. It has been so wonderful watching all our dancers from 3 years to 18 years learning, creating and growing through their roles and characters. We are so lucky to be living in our beautiful country and to still be able to gather at times like this and show our support to these amazing people.

I hope you enjoy your entertainment this afternoon and want to invite you to come and join us next year when we will be celebrating our 10<sup>th</sup> anniversary.

Please sit back and enjoy the adventure and journey you are about to see.
